Dear Members and Friends,

SCASHA continues to support the breeding and exhibiting of American Saddlebred horses. As an ASHBA Charter Club, we are concerned with helping juniors and newcomers learn about the breed, as well as supporting educational and social activities for all.

SCASHA is the co-presenter of the 2024, 79<sup>th</sup> Anniversary California Saddle Horse Futurity Horse Show at the LA Equestrian Center on October 17-19, 2024.

If you are interested in the future of our breed, please join or renew your membership now. We are a nonprofit. All donations to SCASHA are tax deductible.

Sincerely,

Patrick Kelleedy  
President
